PROFESSIONAL SUMMARY

Six years in Korean government affairs as foreign-affairs aide to a former National Assemblyman, across the Assembly itself and two top-tier Korean law firms (Lee & Ko, HMP Law). Inside the Assembly, participated in the **Joint Conference of Senior Members** (중진의원연석회의) and **Political Affairs Committee budget-audit sessions** (정무위 예산결산), supporting agency oversight and malpractice review, and produced comparative foreign-legislation research that contributed to enacted Korean bills. At Lee & Ko, led a Korea–Middle East capital-introduction practice that matched Korean companies entering the Gulf with UAE sovereign-wealth and project capital, in coordination with KFIA. **Native Korean and fluent English** from US K–12 through college, with conversational Mandarin; experienced drafting and briefing in Korean and English for ministerial, sovereign, and senior-corporate audiences. Started at Concentrix Korea as an Apple Tier 4 Senior Advisor. Recently completed the IBM × RedHat AI Transformation program and now build production AI independently.
