PROFESSIONAL SUMMARY

Six years coordinating senior cross-border deal work as foreign-affairs aide to a former Korean National Assemblyman, across the Assembly and two top-tier Korean law firms (Lee & Ko, HMP Law). At Lee & Ko, ran a **research-led Korea–Middle East investment-matching practice**: continuously researched Middle East sovereign wealth fund investing patterns and ran direct outreach on Korea-side opportunities aligned to each fund's interest. Co-produced the Korea–Middle East Sustainable Development Forum with the Korea Financial Investment Association (KFIA), convening Korea's top-10 financial institutions and UAE / Singapore SWFs; owned marketing schedule, conference logistics, attendee diaries, and post-meeting materials end-to-end. The engagements produced co-investment LOIs. Inside the Assembly, the parallel workstream was **comparative foreign-legislation research** that supported enacted Korean bills, work that meant turning dense regulatory material into briefs senior decision-makers could act on under tight deadlines. Detail orientation runs through MOU and LOI drafting, confidential senior-stakeholder communications, and overlapping deadlines. **Native Korean and fluent English** from US K–12 through college, with conversational Mandarin. Microsoft Office (Excel, Word, PowerPoint) at advanced level, daily tooling throughout the law-firm tenure.
