PROFESSIONAL SUMMARY

Five years running **overseas affairs and cross-border deal work** at the Korean National Assembly and top-tier Korean law firms (HMP Law, Lee & Ko), negotiating directly with global stakeholders. After completing an AI Transformation program, I now design **working AI solutions (PoCs) end-to-end — from data pipeline through service deployment**. My goal: be the **“Global AI Strategist”** who represents a technically focused engineer-CEO, fully owns overseas fundraising, and turns the company’s technical achievements into the most competitive roadmap on the global market.

EXPERIENCE

- Foreign Affairs & Overseas Administration** *Former Aide, Korean National Assembly Member — Lee & Ko* · Jul. 2019 – Jun. 2025
HMP Law · National Assembly
- **Lee & Ko (Apr. 2022 – Jun. 2025)** — Secretary-General, Korea–Middle East Sustainable Development Forum. 2023 co-hosted with Korea Financial Investment Association: brokered high-level meetings between Korea’s top-10 FIs and UAE + Singapore sovereign wealth funds → co-investment LOIs. 2024 led SNU Dental Hospital × MUBADALA Health MOU (Khalifa Univ residents rotating through SNU · annual SNU senior-professor teaching rotation).
 - **HMP Law (Jul. 2020 – Apr. 2022)** — Cross-border deal origination and Korean-partner matching: Iraq LNG pipeline EPC sourcing, Oman MoD decommissioned-tank acquisition (directly connected to Hyundai Rotem, advanced to DAPA approval), Nigerian steel-business acquisition.
 - **National Assembly of Korea (Jul. 2019 – May. 2020)** — Regular attendee of the biweekly UAE Ambassador’s-residence expat forum (built the senior UAE network that later enabled the Lee & Ko projects). Led MOU discussions between the National Museum of Korea and Louvre Abu Dhabi. Foreign-legislation research and oversight-data analysis for the Assembly.
